WHY SPONSOR?

About the AFBC Architectural Awards of Excellence

The Architecture Foundation of British Columbia is a non-profit organization that advocates for the advancement of architecture and design in British Columbia. The Architectural Awards of Excellence celebrate design and the unique and diverse work of our province's architects, and is held bi-annually at a location of architectural significance on a rotating basis. The Awards program, including the Lieutenant-Governor of British Columbia Awards in Architecture, recognizes projects built in BC by BC architects.

The AIBC Architectural Awards were transitioned to the AFBC in 2019. Since then we have been working on a new and exciting, rebranded Awards program offering a variety of awards categories, including the prestigious Lieutenant Governor of British Columbia Awards in Architecture. Our vision is to modernize and expand the Awards Program to foster inclusivity and broaden the voice of the profession of architecture in British Columbia.

The 2023 Awards Night will take place on November 8th at the historic Vancouver Club.

Where do your sponsorship dollars go?

Organizing and hosting our Awards program is a large undertaking and incurs a number of costs. As a non-profit organization, your sponsorship dollars are put towards the Awards of Excellence programming and Awards Gala. As a Marquee Sponsor, your sponsorship dollars also help fund year-round AFBC programs and events.

We have lofty goals to expand and enhance the Awards program and gala each year, and expansion will only be possible with the support of our sponsors.
